**Vehicle Parking Stickers**

We have a committee of volunteers that addresses the traffic and parking issues in our community. The major focus and intent of this resolution is to address the problem of unauthorized parking on the streets. Specifically, due to gate codes being compromised and UTSA students with no connection to AR residents parking in the community.

The only way we can restrict parking and enforce these restrictions is by issuing parking permits. In addition, a towing Resolution has been put into place. The HOA has a contract with a towing company with the required signage at the entrance.

We want to encourage all residents to use their garages and driveways for their personal vehicles in consideration of the overall traffic flow and safety in our community. **If you do need to park one or more of your personal vehicles on the street, please be sure that it has a resident parking sticker on the inside of the windshield behind the rearview mirror. Please fill out the information below and return to: [loraine@damctx.com](mailto:loraine@damctx.com).** If you need additional stickers please contact the DAMC office at 210-561-0606 and ask for Loraine.

**Please take a few moments to complete this form. It is important that we have the information on file. Note: This information is kept strictly confidential.**
